That's really just an issue of the order then, isn't it?

- ▼ Look up how Los Pepes handled going after Escobar and corrupt police and you have your answer on how to handle this situation.

17 The rules of engagement for police are "if I feel that I'm in danger, I can justify lethal force."

▼ It's laughable to think police have some code of honor.

5 Im not going to spell it out there too much. But look here:

▼ [https://en.wikipedia.org/wiki/Los\\_Pepes](https://en.wikipedia.org/wiki/Los_Pepes)

Under Operations, replace whoever you want in place of "Escobar" and you have a winning strategy.

5 Perfect picture for the police. Dude in the center giving a masonic hand signal.

▼ Dark to light, freemason scum.

1 ▼ <https://qph.fs.quoracdn.net/main-qimg-e480f30ba158b104c0dd0d0522186bb2-c> She's doing it on purpose.

I am aware the founding fathers were freemasons. They believed we would not be able to keep the republic, and believed lady liberty would be sacrificed to ring in the new age.

Pursuant to that plan, Hillary was going to embroil us in nuclear war with Russia (masons LOVE extinguishing white patriots in the Russian (nuclear) winter, as mason napoleon and occultist Hitler did in wars prior) to ring in the new age.

Freemasonry is not the backbone of any country, though. They seek to destroy, and contumacy to their cause is equivalent to treason.

If you want to join a group to strengthen your nation, don't join a secret club with blood oaths of loyalty to anonymous leadership. Join a church.

▼ Actually they are. They are a bunch of luciferian NWO cucks. That said, many might not know what they're truly involved with.. I own and have combed through all of Pikes works. All you have to do is pick up a copy of Morals & Dogma to know the truth about who their god is. It is absolutely a luciferian/baphomet cult. but go ahead, have fun riding the goat. ma-ha-bone

▼ The police are the thin wrapper that had to be torn through to get to the twinkie. They choose to be on that side, instead of ours. Their choice and its consequences should be clear.

▼ Only state police and blue city police.

Sheriff departments in red areas are good.

My friend is in our police department and they dont enforce mask mandates and dont think highly of departments that do.

▼ Not all the guys in that bottom picture. Some patriots have already resigned, some cowards will run and hide at the sight of the odds. Anyone left is a true tyrant or a true pawn. Eitherway, not a true cop.
